

It's Earth Day (April 22)!

So let's get busy blending Teva (nature) + Omanut (art).

Here is a fun activity for the whole family, inspired by the outdoors and Earth's natural resources. Check out the pictures below for some inspiration, and then begin to collect and design your own Teva-Omanut Project! Send your creations to [michelle@campyavneh.org](mailto:michelle@campyavneh.org) so we can compile all your beautiful handiwork.
