

# COVID Awareness the week before you come to Yavneh

## What am I “allowed” to do this week? (Both vaccinated and unvaccinated campers.)

When in doubt, be masked, stay outside and try to maintain social distancing.

Allowed	Not Allowed
Outdoors: walking, jogging, biking	Gyms
Outdoors: picnics, mini-golf	Amusement Parks
Curbside: restaurant pickup, groceries, drive-thrus	Taxi/Ride-Share/Uber
Medical Appointments*	Concerts, Sports stadium
Outdoor restaurant dining UNMASKED (if you walk into a restaurant to order or get the food, you must be MASKED)	Indoor restaurant dining
Indoors: grocery shopping, salon, museum, barbershop* (MASKED)	Movie theatre
Hotel overnight: hallways, communal areas (MASKED), outdoor pool - ok, but maintain distance	Indoor hotel pool
AirBnB	Indoor parties
Beach - maintain distance, if using the bathroom - MASKED	Going into someone else's home where there are unvaccinated individuals.
Public transportation: buses, trains, subways must be MASKED.	

\*All indoor appointments, shopping, or visits, you MUST be masked. You are our PARTNERS in making this a safe summer for our entire community.

## Testing

The COVID Task Force has NOT changed any protocols for vaccinated pre-camp testing of campers.

All campers (vaccinated and unvaccinated) must get a PCR test 7 days before camp.

Kerem families can send test results that are administered between Sunday, June 20 through Friday, June 25.

Session I/Full Season families can send test results that are administered between Tuesday, June 22 through Monday, June 28.

**If we don't have a test from your camper by June 25 (Kerem) or June 28 (Session I/Full), your child CANNOT come to camp on their arrival date.**

*If you are using PM Pediatrics, they will send both us and you the results. When you go to the appointment, make sure to confirm they are sending the results to Yavneh.*

If you are not using PM Pediatrics, you must email the results to [covidtest@campyavneh.org](mailto:covidtest@campyavneh.org).

## Masks and other COVID-particular items

There has been no change in any COVID-particular items that need to be brought to camp by both vaccinated and unvaccinated campers.

### **COVID-particular items: UPDATED as of May 11, 2021**

- \_\_\_ Disinfecting hand wipes
- \_\_\_ Hand sanitizer
- \_\_\_ Cloth Masks - 15-20
- \_\_\_ Disposable Masks - one box of 25 (1 session) or one box of 50 (2 sessions)
- \_\_\_ Two small mesh laundry bags for cloth masks (16" x 12")

## When will my camper be unmasked at camp?

### 1st week of each session

- Outdoors - All vaccinated and unvaccinated campers can be unmasked when they are outdoors AND socially distanced from other bunks/households.
- Bunks - Vaccinated and unvaccinated campers can be unmasked when they are in their bunks.
- Indoor spaces
  - Vaccinated and unvaccinated individuals can be unmasked indoors when it is just their bunk otherwise they will be masked when they are in indoor spaces with other bunks.

### Rest of the session

- Outdoors - All vaccinated and unvaccinated campers can be unmasked when they are outdoors AND socially distanced from other bunks/households.
- Bunks - Campers can be unmasked when they are in their bunks.
- Indoor spaces
  - Vaccinated individuals can be unmasked when they are with their bunk and/or ayda. It is likely we will get to a place where they can be the full Noar group (upper camp) unmasked together.
  - Unvaccinated individuals: With all negative test results, we anticipate relaxing the mask restriction so that the whole ayda can be unmasked together indoors. But when mixing aydot to have the full Tze'irim (lower camp) group, among unvaccinated individuals, we will continue to mask.
- The only exception to loosening up the masking restrictions is likely to be when singing indoors (T'fillot, z'mirot, etc). For now the COVID Task Force recommends staying masked. We will keep campers informed if that decision changes during the summer.

We anticipate that this will be our last COVID communication for 1st session. We are counting the days until we are with our campers!
